They told him not to wander

They told him not to stray

Listen to the warnings

Never lose the light of day

There's danger in the darkness

And death's not what they say

Thunderclouds are rolling in

Trouble's on the way

(Pre Chorus)

But you can feel excitement in your veins

No holding back till you stake you claim

(Chorus)

Surprise disguise better run now you realize

The kiss abyss knowing that you can't resist

The thrill, the kill, and you know that it's over

With a look in her eyes

An ocean of temptation

With every drop of wine

Shadows meeting face to face

The tentacles entwine

One look from the jezebel

Phony valentine

Now you see the wanderer

Frozen in the corridors of time

(Pre-Chorus)(Chorus)(Chorus)

With a look in her eyes (repeat
