Oh baby I've walked a million miles

Climbing up this mountain

Lookin' for your smile

Ooh sugar

Where's my baby been

My heart is like the ocean

Waitin' for your love to sail on in Let my loveshine

Let my loveshine in

Ooh baby won't you let my loveshine in

Oh baby

Remember yesterday

You spoke to me in riddles

And your mystery remains

Ooh sugar

Be my oldest friend

You held me in my youth

And you'll hold me in the end

Again my friend

Let my loveshine

Let my loveshine in

Ooh baby won't you let my loveshine in
