"One Way"

Put my mind at rest

Do what you want to do

Wouldn't be the first time that you ever did

Given it away

Do what you want to do

Ya Ya

All the words you shit

Say what you want to say

It could be the last time you ever will

Kick in my face

Say what you want to say

Ya Ya

(Chorus)

You can tell by the words that this ain't no love song

Kiss the dirt and walk away

It's only one way

What's inside your head

Gets inside my skin

Always doin' what you want to do

Makes me want to say

Screw what you want to screw

Ya Ya

(Chorus)(Chorus
