Fight for the black shark

See what evil brings

Can't you see we're out for bloodm

Love from a shotgun

License to kill

Can't you see we're out for blood

(Pre Chorus)

The kids scream in fright through the night

Loving every bit with delight

And we blow out our minds with your truth

And together we stand for the youth

(Chorus)

Red Hot Red Hot

To the top we are

Red hot

Shout at the devil

We've laughed at your wars

Can't you see we're out for blood

Run with the pack, now

Always ask for more

Can't you see we're out for blood

(Pre-Chorus)(Solo)(Chorus
