He's the wolf screaming lonely in the night

He's the blood stain the stage

He's the tear in your eye

Been tempted by his lie

He's the knife in your back

He's rage

He's the razor to the knife

Oh lonely is our lives

My heads spinnin' round and round

But in seasons of wither

We'll stand and deliver

Be strong and laugh and

(Chorus)

Shout shout shout

Shout at the devil

He'll be the love in your eyes

He'll be the blood between your thighs

And then have you cry for more

He'll put your strength to the test

He'll put the thrill back in bed

Sure you've heard it all before

He'll be the risk in the kiss
Might be anger on your lips
Might run scared for the door
But in seasons of wither
We'll stand and deliver
Be strong and laugh and
(Chorus
