Tattoo crawlin' down her leg so sexy

So young...ever get caught they'll arrest me

School girl studied up well on hoochie coochie

Lick lips kitten with a whip so undress me undress me

(Chorus)

Hey pretty pretty

With the sweet sweet eyes order me up another

Slice of your pie

Whiplash I never looked at you in high school

Hot child always walk behind you for the rear view rear view

Good God, baby, baby blow my fuse when you walk this way

Nineteen, seductive ballerina, so trashy, trashy

(Chorus)

Hey pretty pretty from across the room

Got something sticky sweet for you

Order me up another slice of you

Slice of you, yeah

(Solo)

Hey pretty pretty from across the room

Got something sticky sweet for you (slice of my pie)

Hey pretty pretty with the sweet sweet eyes

I'm guaranteed to satisfy

Just one wish before I die...

Order me up another slice of your pie

Pretty, pretty
