That woman's got a smile  
Put you in a trance  
And just one look at her  
Makes you wanna dance  
Those rockin' rosy lips  
Only passify  
Just a hint of ruthlessness  
Sparkling in her eye  
She's a teaser and she's got no heart at all  
She's a teaser and she'll tempt you 'til you fall  
Yeah she'll tempt you 'til you fall  
She'll talk to you in riddles  
That have no sense or rhyme  
And if you ask her what she means  
She says, she don't got the time  
She's a teaser, and she's got no heart at all  
She's a teaser, and she'll tempt you 'til you fall  
She's a teaser, and she's got no heart at all  
Yeah she'll tempt you 'til you fall  
She's a teaser, and she's got no heart at all  
She's a teaser, and she'll tempt you 'til you fall

She's a teaser, and she's got no heart at all

She's a teaser, and she'll tempt you 'til you fall
