"Time For Change"

I heard some kids telling me

How they've lost all the faith in the way

They've been talking world peace

And the wars in the streets

(Pre Chorus)

The lines on their faces so deep

A revolution or reach out

And touch the day

We're overdue child

(Chorus)

Change

Now it's time for change

Nothing stays the same

Now it's time for change

I feel the the future in the hands

Of our youth will be safe

No more lies

Old, tired fools tell our future

With tarot cards, and lie of crime

(Pre-Chorus)(Chorus)

I'll change

I'll change

Not tomorrow but today

(Chorus
