You say our love  
Is like dynamite  
Open your eyes  
'Cause it's like fire and ice  
Well you're killing me  
Your love's a guillotine  
Why don't you just set me free  
(Chorus)  
Too young to fall in love  
Run for the hills  
We're both sinners and saints  
Not a woman but a whore  
I can just taste the hate  
Well now I'm killing you  
Watch your face turning blue  
Not yet a man  
Just a punk in the street  
(Chorus)(Solo)  
You say our love  
Is like dynamite  
Well it's no surprise

Cause you've got one way eyes

Well you're killing me

You're love's a guillotine

Not yet a man

Just a punk in the street
