Ragtime fast lane another overdose

You know James Dean wasn't playing the role

I said hey you what cha gonna do

When the time runs out on you

Use it or lose it

Sweet pain is the name of the game

I said hey hey hey hey hey

You better use it before you lose it

You better use it don't throw it away

JFK Marilyn Monroe

Street walking gypsy Margaret Trudeau

I said hey you what cha gonna do

Time's run out on you

Use it or lose it

Sweet time--is it on my side?

I said hey hey hey hey

Better use it before you lose it

You better use it--don't throw it away

Sweet pain is the name of the game

I said hey hey hey hey hey

Better use it before you lose it

You better use it--don't throw it away

Hey hey hey---don't throw it away

Don't throw it away
