Mister, Mr. Push-button Junkie

Lookin for some dirt to buy

Landslide, it's a corporation landslide

Waitin for a kiss from an atom bomb

This situation's critical,

My back's against the wall...but we like it

We're walkin in our sleep and I can't feel at all

I said hey man, just gimmie some truth

See what ya wanna see

Feel what ya wanna feel

I don't wanna know, I don't wanna deal

I don't wanna be any part of your stupid mother-fuckin  
disease

Do what ya wanna do

Kill if ya gotta kill

Cause I just don't believe your point of view

Welcome to the numb, fools

People, did ya ever feel like you're going insane?

Sister, I'm feelin pretty safe dead in this home-made  
grave

This situation's critical

Have I lost my mind...and I like it

There's too much information

Can you see it in my eyes?

I said hey man, all I want is the truth

See what ya wanna see

Feel what ya wanna feel

I don't wanna know, I don't wanna feel

I don't wanna be any part of your stupid mother-fuckin  
disease

Do what ya wanna do

Kill if ya wanna kill

Cause I just don't believe your point of view

Welcome to the numb

Welcome to the numb

Situation's critical,

Have we lost our minds...but we like it

So much information

Can you see it in our eyes?

I said hey man, just gimme the truth

Why don't we

See what ya wanna see

Feel what ya wanna feel

I don't wanna know, I don't wanna feel

I don't wanna be any part of your stupid mother-fuckin  
disease

Do what ya wanna do

Kill what ya wanna kill

Cause I just don't believe your point of view

Welcome to the numb

Welcome to the numb

Welcome to the numb
