"Without You"

Without you there's no change

My nights and days are grey

If I reached out and touched the rain

It just wouldn't feel the same

Without you I'd be lost

I'd slip down from the top

I'd slide down so low

Girl you'd never never know...

(Pre Chorus)

Without you without you

A sailor lost at sea

Without you woman

The world comes down on me

(Chorus)

Without you in my life

I'd slowly wilt and die

But with you by my side

You're the reason I'm alive

But with you in my life

You're the reason I'm alive

But without you, without you...

Without you, my hope is small

Let me be me all along

You let the fires rage inside

Knowing someday I'd grow strong

(Pre-Chorus)

(Chorus)

I could face a mountain

But I could never climb alone

I could start another day

But how many, just don't know

You're the reason the sun shines down

And the nights, they don't grow cold

Only you that I'll hold when I'm young

Only you...as we grow old

(Solo)

(Chorus)
