Went to your house baby they said you weren't home  
I asked if you could call me then waited by the phone  
I don't like this feelin' think I'm slowly losin' my mind  
Girl I heard the rumors you found somebody new  
When I heard you had a new love broke my heart in two  
Honey let me hold you tell you what you mean to me  
I don't wanna lose ya I'm waitin' here so patiently  
You are all I need girl you are the world to me  
You'll break my heart in two if you found somebody new  
You are all I need  
My friends tell me I'm crazy, you're just a waste of time  
But a love like ours is special, you're always on my mind  
Do I wanna hear the answer to the question that is  
Burnin' in me... Oooooooh  
Why can't I just hold you, and look into your eyes  
Wrap your arms around me, make love to me tonight  
Give me one more chance girl to show you  
What you mean to me
