Performed by Blur)

Do you feel like a chain-store

practically flored

One of many zeros

kicked around bored

Your ears are full, but you're empty

holding out your heart

to people who never really

care how you are

Chorus

So give me coffee and TV

Peacefully

I've seen so much, I'm going blind

And I'm brain-dead virtually

Sociability

is hard enough for me

take me away from this big bad world

and agree to marry me

so we can start over again.

Do you go to the country

it isn't very far

There's people there who'll hurt you

'cos of who you are

your ears are full of their language

there's wisdom there you're sure

'till the words start swirling/slurring

and you can't find the door

Chorus (x2)
