Performed by Aimee Mann)

There is nothing that competes with habit

And I know it's neither deep nor tragic

It's simply that you have to have it

So you can make a killing

Oh you can make a killing

Oh you can make a killing

I wish I was both young and stupid

Then I too could have the fun that you did

Till it was time to pony up what you bid

So you could make a killing

Oh you could make a killing

Oh you could make a killing

I could follow you and search the rubble

Or stay right here and save myself some trouble

Or try to keep myself from seeing double

Or I could make a killing

Or I could make a killing

Oh I could make a killing

Yeah I could make a killing

I could make a killing
