"For You"

And I'd sign right on that dotted line,
I'd give up all for you,
I'd sign my name in blood with love,
Some say I'd only lose for you, for you.

And you'd toss me like a ragdoll,
Another toy you just don't need,
It's insides all have rotted out,
It's not good enough for you, for you.

I've lost my heart and soul,
I gave it all to you,
Such a thoughtless thing to do,
You are my love, my life,
And the one regret,
That I'm not the same to you.

So I feel deranged, a bit confused,
And I don't know what to do,
I could give up lust, and you've lost my trust,
But I can't give up on you, on you.

I've lost my heart and soul,
I gave it all to you,
Such a thoughtless thing to do,
You are my love, my life,
And the one regret,
That I'm not the same to you.

And so i live and I lie for you,
I even try to smile for you,
I'd lie right down and die for you,
For you, I'd only lose for you.
