"Get In The Mood"

A poison's running through these veins, and honey,
you're the cure,
A double dose of your loving is the antidote,
One shot and I'm feeling alright,
Two shots'll get me through the night,
A poison's running through these veins,
And you're the antidote.

A fire's burning in this heart, and sugar, you're the
torch,
And it's hotter than hell but I still want more,
Well it's hard to look at you,
And not think of all that we could do,
A fire's burning in this heart,
But I still want more.

Get in the mood,
Cause I'm feeling alright,
Get in the mood,
For you tonight,
Get in the mood,
Baby,
Get in the mood,
Get in the mood.
