I can shine even in the darkness

But I crave the light that he brings

Revel in the songs that he sings

My angel Gabriel

I can love

But I need his heart

I am strong even on my own

But from him I never want to part

He's been there since the very start

My angel Gabriel

My angel Gabriel

Bless the day he came to be

Angel's wings carried him to me

Heavenly

I can fly

But I want his wings

I can shine even in the darkness

But I crave the light that he brings

Revel in the songs that he sings

My angel Gabriel

My angel Gabriel

My angel Gabriel
