Visit "[Broken Nose](#)" on MotoLyrics.com

So many burning holes in my head
So much depressing hate I wish I was dead
This is the last time don't you know tell me
Why I'm here and I won't let you go

There's an endless road between love and hate
There is so much time that you have to take,
I realize right now I'm a foolish kind
You are the cruellest one that I ever found

I don't wanna go,
I don't wanna go inside the show
You come alone,
you come alone and break my nose

Please put the lights on so I can see
Give me something good so I can be me,
My broken nose is full of blood today

I don't wanna go inside the show
You come alone and break my nose
