give me the gun so I can kill myself I can't live my life
anymore,
give me the needle put it in my dirty hands so I can
shoot up just one more time

I've been lying to you, you've been lying to me,
I've been hurting you all the way,
I've been cheating you, I've been loving you,
I've been using you like a whore

show me the way so I can be myself I'm not alone with
you anymore,
give me all your love I fight my way back home
I wanna be with you the rest of my life

I've been lying to you, you've been lying to me,
I've been hurting you all the way

and you are my loved one, and you are the pain

I've been lying to you, you've been lying to me, I
've been hurting you all the way

and you are my loved one
