Iâ€™m so used to trying again  
Iâ€™m so used to seeing thereâ€™s only my arm in my  
hands  
itâ€™s so ordinary this day I see no light  
how long have I been right  
hundred bottles on my floor  
one hundred thousand reason to stay away from my  
door  
even this room around me gets darker everyday  
still Iâ€™m on my wayâ€¦ and I never needed anybody

sometimes I hate yes I hate walking and talking alone  
sometimes I wish yes I wish she would prove to you and  
me she has an empty head,  
now indeed I wonâ€™t need to see her around again  
if you wait on me yeah darling

someday Iâ€™ll be so proud of myself  
Iâ€™ve heard a million times do you need any help  
and I never needed anybody

sometimes I hate yes I hate walking and talking  
aloneâ€¦
