What is the voice inside my head  
What makes me bleed and wish my death  
You try to hurt inside my soul  
Still I love you and I don't want you to go  
Away from me, me and my foolish trust  
Away from me

You want to come inside my world  
I show you number one and still you want some more  
I want you to give me deep hard core  
'cause I love you and I don't want you to go  
Away from me, me and my foolish trust  
Away from me, me and my foolish love

Is this the end of our world, is this the end of our  
madness,  
I try to kill all the pain, all the pain  
Where are you now my Secret Jesus

Do I have to stop the game  
Do you want some more of me  
This private life is way too high  
And I love you and I don't want you to go  
Away from me!

Is this the end of our world,  
is this the end of our madness,  
I try to kill all the pain, all the pain  
Where are you now my Secret Jesus
