Welcome to the paradise,  
Paradise is full of lies and laughter, like disaster  
Rubberman and baldhead girl,  
Right behind your own world they're faster,  
They're right behind you

And I don't feel no pain 'cause you are my way  
And I don't feel no pain,  
I know I have to go home,  
Have to go home

Dream about my winterland everything must change or  
I die,  
Right now I'm living my life  
I have to stay inside the house you can see me laugh  
but I lie,  
Deep inside I cry

And I don't feel no pain 'cause you are my way  
And I don't feel no pain, I know I have to go home,  
Have to go home
