A poem with no rhyme
A clock without time
A ship without sails
Just drifting on the water

That's just how I feel
Whenever she's gone
That's just how I feel
My life's unreal but I go on - and on and on

I wait till Julie comes around
And sings a happy song of summer - Julie comes
around
And lifts my spirit up
And fills my foolish mind with wonder - Julie comes
around
She smiles a gentle smile
And suddenly I get that feeling and then
I'm inside-out with love
'Cause Julie's come around again

She's just like a bird
She follows the sun - ooh ooh ooh ooh
She spreads out her wings
And once again she leaves me

It's always the same - ah ah ah ah
I'm broken in two - ah ah ah ah
But after a while
I always know what I must do

I'll wait till Julie comes around
And sings a happy song of summer - Julie comes
around
And lifts my spirit up
And fills my foolish mind with wonder - Julie comes
around
She smiles a gentle smile
And suddenly I get that feeling and then
I'm inside-out with love
'Cause Julie's come around again

When Julie comes around
And sings a happy song of summer - Julie comes
around
And lifts my spirit up
And fills my foolish mind with wonder - Julie comes
around
