I can explain why I cannot give my heart back  
I left it with my Lady Blue  
What was her name? She flew in, I caught her  
I was a fool to let her go

She goes, she goes with her hollow bones she goes  
Every year she's back for the season  
I have to keep my windows closed

I couldn't shake what my mother warned me of  
Try to keep me safe between the pews  
I stepped away, saw that love was outside  
She wore a name, just a different one

They all say I'm sorry boy, you shouldn't fly with her  
kind  
They found a way out of God's love

She goes, she goes with her hollow bones  
Keepin' it pretty is gettin' pretty old  
Keepin' it pretty is gettin' pretty old, it's gettin' pretty  
old

Round and round we go, we go around  
Round and round we go, she won't stay dead, stay  
down

There's an awful lot of holes I gotta dig  
When I know you're gonna climb back up again  
Stay dead, stay down, stay dead, stay down

Stay across the sea but I know where you'll be  
When I look around and round we go, we go around  
Round and round we go, she won't stay dead, stay  
down

Lady, you're a lure, dancin' on the bar, oh you know  
you are  
You call em' to the door, hook em' in the jaw just for  
tonight, right?

But maybe when you're bored with the easy caught

And when I can't afford another empty touch  
Maybe then we'll board our ships with a couple  
crashing hearts

Round and round we go, we go around  
Round and round we go, she won't stay dead, stay  
down

Round and round we go, we go around  
Round and round we go  
She won't get out of my head, stay in the ground  
She won't get out of my head, stay in the ground

She won't stay dead, she won't stay down  
She won't stay dead, she won't stay down  
She won't stay dead, she won't stay down  
She won't stay
