Here I go again I promised myself,
I wouldn't think of u today,
It's been 7 months and counting.
You've moved on i still feel exactly the same
It's just that everywhere
I go all the buildings know your name like
Photographs and memories of love.
Steel and granite reminders
The city calls your name and I can't move on

Ever since you've been gone
The lights go out the same
The only difference is you call another name
To your love To your lover now
To your love,
The Lover After me

Am i all alone in the universe
There's no love in these streets

I have given mine away to a world
That didn't want it anyway
So this is my new freedom
It's funny i don't remember being chained
But nothing seems to make since anymore
Without you i'm always 20 minutes late

Chorus

And time goes by so slowly
The nights are cold and lonely
I shouldn't be holding on
but i'm still holding on for You

Here I go again i promised my self
I wouldn't think of you today
But i'm standing at your doorway
I'm calling out your name cos i can't move on

Chorus to end
