#### Chorus

I'ma do me  
Cause I need a break from you  
My girls telling me  
That I been too good to you  
I gotta take some time to see  
About you and me  
What this could be  
Or do we need to leave  
So I'ma do me  
I'ma do me

#### Verse 1

We used to be so right  
Never felt love like it  
You always were there for me  
You loved and you cared for me  
But now I'm suddenly seeing  
What everyone's saying  
About what we had  
Why I don't understand  
But my plan  
Is to do my own thing  
Sooo oh ooh oh ooh oh oh

#### Chorus

I'ma do me  
Cause I need a break from you  
My girls telling me  
That I been too good to you  
I gotta take some time to see  
About you and me  
What this could be  
Or do we need to leave  
So I'ma do me  
I'ma do me

#### Verse 2

I really can't believe you  
The promises you made weren't true  
Gave you chances to do right  
But you've run out of times  
To do wrong and be in my life  
Don't play with my heart  
I knew from the start  
You don't see  
The value of having me  
I'm done with you and me  
I'm done with you and me

#### Chorus

I'm ma do me  
Cause I need a break from you  
My girls telling me  
That I been too good to you  
I gotta take some time to see  
About you and me  
What this could be  
Or do we need to leave  
So I'm ma do me  
I'm ma do me

#### Bridge

Don't wanna be alone  
But I need some time to be on my own  
To see  
What I mean to me  
And what's  
Not enough for me  
Sooooo Oh Oh Oh

Oh Oh Oh, Yeah  
I'm ma Do Me
