(\*talking\*)

C.M.G. Young Don, Lil' Head I see ya baby  
I appreciate it, welcome to the family  
A.G. you know what it is, we gon discuss this  
With these chicks for a minute, check it

[Lil' Keke]

I got this chick, that I been digging for a minute  
She let me do my thang, when I'm crawling up in it hey  
We on the highway, top down breezy  
Super fine she a dime, nigga please believe me fa sho  
I pulled up, and she passed the test  
Nice ass flat stomach, and some beautiful breasts

(\*singing\*)

whoaaa baby, oh baby

Hey, Four Seasons and plenty of reasons  
Just to take you to the top of the world, you know girl  
That's right, sophisticated with a devilish smile  
She a killer, you just might need a chinchilla but yo  
A hood nigga, drank and smoke good nigga  
Older wiser, and stacks got bigger

[Hook]

Whoaaa baby, oh baby  
Because, I'll be round  
Baby, I'll be round for

(\*talking\*)

Hey girl, what you looking all upset for  
Straighten your face up iight, straight up

[Lil' Head]

You my number one lady, plus my number one baby  
I place nobody before you, I cherish you greatly  
You been good with your patience, putting up with my  
shit  
No disrespect, that's why I officially made you my bitch  
My ride or die no lie, I'm glad I got you  
Anything you need, best believe you know I got boo

(\*talking\*)

Say, you been through a lot of shit with Head  
Baby, that's why I cut for ya (iight)

[Lil' Head]

Stuck with a nigga, even when I went and got two  
Hoes to eat my dick up, when I was full of that liquor  
Cried your little heart out, when you went found them  
pictures  
With five naked hoes, that's sitting round your nigga  
Couldn't lie, couldn't tell you a story you had proof  
But you still here, so spoiling my bitch is past due

[Hook]

(\*talking\*)

Yeah, it's A.G. hollin' at ya baby  
Trying to figure out, why you love me so much  
Trying to figure it out, yeah

[A.G.]

Hey what the bidness baby, A.G. spitting at ya  
I know it's been a minute, since I been getting at ya  
And you been getting at me, and now you hinting at me  
How you want me to be, your number one man  
But you gotta understand, that I make moves  
Shake fools, and stack enough cake in case I break  
rules

(\*talking\*)

Yeah, and that's what's up baby huh  
So let me break it down, let you know what you need to  
do

[A.G.]

Don't even trip, just swallow the seed  
And let me nourish this game, while you follow my lead  
Then everything, will be lovely and fine  
Just like your attitude and body baby, lovely and fine  
I ride for you, you ride for me  
And that's the way, that this thang is suppose to be

[Hook]
