[Jadakiss]
If you fuckin wit the 'Kiss, you ain't gon' breathe
The only time I lick in the air is New Year's Eve
Sonny from "Bronx Tale," you can't leave
Get kissed on yo' cheek then you meant to die
Cause when the gun start poppin then my temperature
rise
You know my style; 20 niggaz wit 40 Cals
Nine years ago you was hollerin shorty wild
Now I'm in the rap game twistin these honies out
Never left the crack game still on a money route
I run through the industry looking for enemies
Y'all niggaz sound sick and Jada the remedy
Get shot in yo' eyes and mouth
Can't see can't talk when you fuckin wit the heart of
New York
And that's fouler that swallowin pork
And to fuck wit the feds dog
you know I push the prowler to court
Toast on my lap, got the East Coast on my back, UH
