[Tyrese]

I know sometimes it might get crazy  
I'll always be here for you lady  
Baby I'm just tryin'a change the game  
So let me work the thang  
Let me do my thing

[Snoop]

Young, dumb, and full of cum  
Lil crazy ass nigga, homie where you from  
I bang the bet, bang the set  
Tat on my neck, teck on deck  
Yeh yeh watch yo step  
He wont fuss  
He'll just bust  
Ask those fucks  
I left em in dust  
Trust or bust  
Cuss and get drunk and talk big shit  
Man yo bitch so quick and dip  
Hop on the site like like we used to do  
Fly handlebars, his All-stars is blue  
Keeping it true  
7 days a week  
and he livin with his momma  
and I heard she a freak  
Fucking wit a G  
HGC 107  
Bald head nigga named Melvin  
He telling cuz how to live and he a felon  
He bailin  
Fuck that bullshit he sailin  
You know why

[Chorus: Tyrese]

You just a baby boy  
Your not the real mccoys  
I've been runnin' these streets  
You goin' crazy  
What about your baby  
Why you ridin with heat

[Mr Tan]

I gotta baby up the street  
another baby mama around the corner  
one I just screw  
and the other I make love to  
but I'm in and out fool  
I can't stay with one bitch I gotta keep it pimpin  
But now some drama and I ain't wit it  
The nigga that used to knock my song momma up just  
got out  
And mom's threw a nigga out for bangin on his spouse  
And that nigga, now he up in baby's house  
What I'm gon do, should I set it off  
And play myself like a fool, I'ma keep it cool  
And see how long this shit gon last  
I scooped up my son he tried to play my wit a ghetto  
pass  
I ain't havin' that, grab my strap I got to do something  
Fresh out but a nigga got to do something  
And I'm a baby boy with nothing to lose
