(Irish lyrics)

Mo chreach gháirchaiseach
Náí rabhas ar do chlaibh
nuair léimhadh an pádar,
go ngeobhainn é im chom dheas
nó i mbinn mo ghána,
is go léigfinn cead síleat
a mharcaigh na sí nglas
é sin b'fhéarr léigean chucu
(English translation)

My biting bitter loss
I was not at your back
When the powder was fired
So my fine waist could save you
or the hem of my dress
'til I let you go free
my slate-eyed writer
well-able for them all.
