Oh Maria, I'm so sorry I wrecked your wedding  
You've just gotta believe me  
But just the thought of you takin' your clothes off for  
that jerk  
Oh, it got me drinkin' and then suddenly I'm staggerin'  
into church  
And I'm dancin' like Baryshnikov all across the high  
altar  
Oh I bet that you're still mortified  
But just think, girl,  
No one's ever gonna be forgetting  
The day I wrecked your wedding

Oh Maria, I'd get down on my knees girl  
You've just gotta believe me  
But just the sight of you in your brand new weddin'  
dress  
Oh, it got me so upset  
And then your father's screamin' and callin' me  
"You no good lazy punk  
I always knew you were a drunk"  
And your mother, she's havin' her 19th nervous  
breakdown  
But just think girl  
No one's ever gonna be forgetting

The day I wrecked your wedding

Oh Maria, I'll do anything you ask me to, I swear I'll  
change  
I'll even give up drinkin', hangin' out with the boys,  
'cause I just can't live without your body and you  
Oh Maria, I'll even sell my strat, give up the band  
You better believe me, girl, this time it's true  
Oh Maria, I'll even go out and get a job for you

Oh Maria, I'm so sorry I wrecked your weddin'  
You just got to believe me  
But 10 years from now this is all goin' to be one big  
happy memory  
Oh your old man'll even grow to love me, I'll give him 6  
grandchildren

I'll be so respectable, I might even run for president, I'll  
be so electable  
I'll keep you happy and expectable and forever  
pregnant  
That way you'll never be forgetting - the day I wrecked  
your wedding
