[Chorus: repeat 2X]

Shake it girl, work it girl

Us thugs, we like them girlz

Little mama wit alla that (Heyy)

Let me tell you where the partys at (oohh oohh)

No Limits where the ballas at (over here)

We pop bottles like we quarterbacks

hey girl won't you do that dance

lookin good mami, won't you shake that thing

I like your style and the way you move

you make a thug wanna get wit you

[Silkk] When I come through Dawg you no I'm fly

[Master P] It's about to jump off

[Silkk] when I stop by

[Master P]

we ain't LL but we jus those type of guys

thugs in the club with them bottles in the sky

My wrist sittin on 24 carats

Rookies tuckin in they chains they must be embarassed

[Silkk]

I slide through grab a couple of bottles

later on fly threw grab a couple of models

you a balla you outside or in

I pulled up theres more outside then in

niggaz in the parkin lot sparkin blunts

like if you ain't on 20's or above don't park out front

some couple of dudes ran up the street

tried to park and run

get back to the spot

once I get back to the yact

[Master P]

I'm on the dance floor with trina and tasha

I'm a actor so its juice and vodka

tell the waiter more champagne for shorty

we in a V.I.P. and bout to get naughty

[Chorus: repeat 2X]
Shake it girl, work it girl
Us thugs, we like them girlz

[Curren\$y]
Call me on a sunday
you no a dawg could roll through
in a black 350z with no roof
excuse me I don't no what they told you
but I'm gettin in for free anywhere that I go to
curren\$y the high spitter got hella flows
rock platinum rolls white, yellow gold
got the world in my hand won't let it go
I'm not a lightweight cuz I got heavy dough
young dude ice so chunky
game so smooth thats why they want me
ooh too cool way to flossy
if thats your boo you better get her off me

[Chorus: repeat 2X]
Shake it girl, work it girl
Us thugs, we like them girlz
