Friday night and feeling good to go
Met this girl I'd like to get to know
How could I have been soo blind
Wish I'd never met her

Chorus

Upside up on the floor
This is not what I signed up for
I wonder if she knows the things that hurt the most
Cut me deep and burn me too close
Do you think I'll be fine

Friday night and feeling good to go
Met this girl I'd like to get to know
She does things that girls just shouldn't do
Take her out and have her home by 2
How could I have been soo blind
Wish I'd never met her

Chorus

Upside up on the floor
This is not what I signed up for
I wonder if she knows the things that hurt the most
Cut me deep and burn me too close
Do you think I'll be fine

Guitar solo

Chorus

Upside up on the floor
This is not what I signed up for
I wonder if she knows the things that hurt the most
Cut me deep and burn me too close
Do you think I'll be fine.
