"Into your hands"

I remember
Just last night
When you husband
Left your life

He took his clothes
Your car and gas
You'll be going
Nowhere fast

Take you life
Into your hands
Don't waste it all
With but's and and's

All he left
At home for you
Was a stomach flu
And an I OWE YOU

Forget the past
And just move on
Or you'll be left
When your friends are gone

Take you life
Into your hands
Don't waste it all
With but's and and's
