She may watch the wrestling

and think its the best thing

right up there with monster trucks

i don't think she's useless

just coz she refuses

to think heavy metal sucks

coz one day i know

when she's ready to go

she'll just jump on her bike and ride

there's something about you

your leather and tattoos

that's making me weak inside.

your fishnets and nose-ring

is making my heart sing

and i get no sleep at night.

she listens to slipknot

and thinks that it's punk-rock

her wardrobes a shade of black

her dad is in prison

she tries not to listen

to things said behind her back

coz one day i know

when she's ready to go

she'll just jump on her bike and ride

there's something about you

your leather and tattoos

that's making me weak inside

your fishnets and nosering

is making my heart sing

and i get no sleep at night

so maybe I'm too blind to notice

her wandering mind and lack of focus

and maybe I'm too dumb to realise

the vacant look she gets in her eyes

there's something about you

your leather and tattoos

that's making me weak inside

your fishnets and nosering

is making my heart sing

and i get no sleep at night
