Here we go, want to know,
Is it just only me
That feels this way?
Time to say, too much play,
Is it really the way
You'll always be?
You'll always be?

Foot down to the ground,
You hit 90 an hour.
You can't see the things
You're passing by.
I'm dying to stay,
Coz I've been wasting away,
Under all the things you're passing by.

Here we go, want to know,
Are you counting the days
You've been away?
Time to say, too much play,
Missing all of things
You'll never say.
You'll never say.

Foot down to the ground,
You hit 90 an hour.
You can't see the things
You're passing by.
I'm dying to stay,
Coz I've been wasting away,
Under all the things you're passing by. (x2)

(Under all the)Things you're passing by. (x4)
