Another perfect day in hell,
Lately I'm not sleeping well,
A former tragic state of
Mind your business

Are you supposed to help me out?
Do you think this could work out?
Don't you know I was voted
"Person most likely to fuck up?"

Are you sure your not holding out,
There's so much we could cry about
Why waste time when theres time to waste
Come on put on your pokerface (Fight x3)

The perfect time the perfect place
To have the dirt kicked in your face
And falling doesn't hurt when you've hit bottom

Are you sure that I'll be ok?
Run out of tears to wipe away
Don't you know I was voted
"Person most likely to fuck up?"

Are you sure your not holding out,
Theres so much we could cry about
Why waste time when theres time to waste
Come on put on your pokerface (Fight x3)
