Too much of the same can bring you down,
Hold your head up high before you drown.
Did you ever listen? Whats going through your head?
Its all the same...

Thrown away the pieces of you heart,
Hold on to these things that fall apart.

Woah, it's Kid Deft, chyeah.
My rhymes are never planned, it's just my thoughts
handwritten,
With all them battles I've fought, i still stand spittin'.
You'll never see this man splitting like a damn chicken,
Opposition driven mad just because we mad driven.
You lackin' the ambition, you and your mans listening,
Been on the ground with alot of you other bands disin'.
My planets shine is finally up in the transmision,
Yeah 48 lets get the fuck out of this damn prison!

Did you ever listen? Are you listenin'? listenin' huh?
Whats going through your head? It's all the same
Its all the same.

Throw away the pieces of your heart
You've got to do what you've got to do, no matter how
many say it's impossible.
Hold on to these things that fall apart.
We stick together just fuck the weather, 48 and the
Crew nobody doin' it better

Cover up your tired eyes,
Hold on to these things that fall apart.
Count up all your unrequited lies,
Hold on to these things that fall apart.

You know the saying if it's broke dont fix it
If the bloke dont foke the opposition gon' take it ,
if you think the battle is lost then you're going under
like.
We've landed, we tore it,
We jam it, we saw it,
We writtin', recordin'

From night til the morning.
We're holding it down, while others falling apart,
We aint pickin' up all the pieces but yall can call it a
start.

Throw away the pieces of your heart
You've got to do what you've got to do, no matter how
many say it's impossible.
Hold on to these things that fall apart.
We stick together just fuck the weather, 48 and the
Crew nobody doin' it better

Cover up your tired eyes,
Hold on to these things that fall apart.
Count up all your unrequited lies,
Hold on to these things that fall apart.
