uh my ambition niggas they hate it they tryna take it
the fame i got to make it they tryna delay it, hop in the
booth and have a heart attack cali made but with the
lyrics vegas where i started at throwing bars to the beat
im like a quarterback we living in a struggle where its
hard to get a quarterback its people working 9 to 5 just
to get that quarterback and niggas throwing quarters
on the corner to get a quarter back. stay on yo hustle
do everything that you can... and watch the people you
call friends cuz, people they fake they say they there
when you need help, but really faker than a ken on the
shelf. thats a barbie doll incase you didnt get it i kill the
beat with no limit like it was no competition i swear i be
sickest i swear to god im the illest if you talkin bad kill it
nigga fuck yo opinion... man im hotter than the cheetos
cheetah, man im flyer than a kid swinging im bringing
pain like a bee stingin and live life like it was to be my
last day breathing put the headphones in and let the
beat play, write a verse then have that shit on replay im
a walking flame the hottest in the state pillsbury all i
kno is get cake amen.
