Inbred goats lead
One world government
Burn our minds clean
A loss of atonement

All I say
It's in the back of your mind
I say
It's in the back of your

Hybrid love queen
Demigod speed freak
Burn our minds clean
Awaken the weak

All I say
It's in the back of your mind
I say
It's in the back of your mind

Your mind...
Freedom...
Your mind...

All I say
It's in the back of your mind
I say
It's in the back of your

Born of the seed
Majestic the weed
Burn the sky's clean
Awake now the weak

All I say
It's in the back of your mind
I say
It's in the back of your
It's in the back of your mind
