All women want is to talk about babies all the time they
drive you crazy spread them legs and give er some
semen nine months later got the turkey in the oven
here we go now a brand new baby cryin and screamin
and drivin you crazy made from cum its a brand new
life kickin and screamin that thing is mine Do you
wanna play little baby games do you wanna play little
baby games a bump on her belly and a brand new
name do you wanna play little baby games love em and
hug em give em things to do let him have some titty
milkin time is due now that sex is over I got things to do
guess I'll go find me a baby too spread myself all over
this town stick it to the ladies got kids runnin round
know i need rubbers but i always forget guess i wanna
leave her with a memory of me yeah Do you wanna play
little baby games do you wanna play little baby games
a bump on her belly and a brand new name do you
wanna play little baby games I want a ring! and a big
wedding! and a house! and a new car! and lots of
stuff! and credit cards! and cash! and babies, lots of
Babies!!!!
