Walking beside you every day. Makes me so proud I
just gotta say that I love, love you. When your beside
me I feel so fine. A light shines from you all of the time,
cause you love, love-a-me too.

When you look into my eyes, there's no disguising how
I feel. I just gotta tell you babe, the only one for me is
you. Oh, woh woh woh woh woh woh, woh woh woh woh
woh yes, yes love.

No doubt about it I'm feeling good. I think you know
cause it's understood, cause I love, love you. Your
passions there every night. That won't change for the
rest of our lives, cause you love, love-a-me too.

Loves the only answer when you ask me how I feel
about you. There's no doubt about the way, you make
me feel when I'm with you. Ho, woh woh woh woh woh
woh, woh woh woh woh woh yes, yes love.

Oh, oh oh, oh oh oh. Oh oh oh, oh oh oh. Ho ho ho, ho
ho ho - oh oh oh.
Oh, oh oh oh, oh oh oh oh oh ho ho. Oh-a ho ho, ho ho
ho - ho oh oh.
Ho, woh woh woh woh woh woh woh woh woh woh woh
yes, yes love.
