I'm just laid back chilling  
In the cut like a villain  
I ain't smokin' on em phillies  
Growin' kush by the ounce  
Put up them 20's and them 50's  
Took two pulls and then it hit me  
Like an elevator lift me  
In the sky I'm so high  
Looking down on my city  
I smoke 'til I'm silly  
In the tellin' with these brisses white  
Bitches spending greasy  
Cause them blunts got em busy bro  
Niggas trying to smoke ahead  
I'm back like I'm too busy homie  
You can keep that regiment  
On the zone off this piffy  
But I see this world so clearly  
I'm a stoner sincerely  
You don't smoke with me... that's eerie  
Yeah my eyes red and watery  
But I see this world so clearly  
I'm a stoner sincerely  
You don't smoke with me... that's eerie  
Just like from my brother  
Man this weed is so fine  
I swear Young Roddy trying to kill me  
So much smoke - need oxygen  
The weed so fine can't comprehend  
Take that puff and hold it in  
Exhale - blow it in the wind  
Ah nigga you should too  
If you knew what this game will do to you  
Steadily counting benjamins  
I'm just sitting here trying to win  
I stay on another level  
Pull the carboard out and roll em two leaves up  
together  
But these niggas can't do what I do  
And these bitches can't go where I go  
But still they try to follow

Sipping clicko out the bottle  
I live my life full throttle  
But that weed slowed me down  
Like brakes on marcila-agos  
I'm just posted with my motto  
And we roasted up this shipment that I just got in from  
tahoe  
We just smoking and watching movies  
Feeling like I hit the lotto  
Little mama lighting up like she addicted to that pyro  
I'm playing the rear view mirror close  
I'm ducking from the 5-0  
These niggas know how I roll  
New whip with my eyes low  
I'm smoking on that hydro  
No choice - but to drive slow  
I'm flying in the clouds  
I'm just smoked out chilling  
Rolling up them goodies  
Plotting heavy on the millions
