#### 1ST VERSE

I give her all the good and the bad in me  
She deserves my best and I'm glad to be...  
Glad to be her man, her friend, her lover...  
It would never be the same if she went away  
It's taken all I've got just to keep her here  
To lose her to someone - that's my biggest fear  
I make my mistakes but she loves me anyway  
Like a hurricane she blows me away

#### CHORUS

And Iâ€™ve Got My Girl and she's got me  
Nobody else - we're all we need  
Taking her place, no it ainâ€™t no way no how  
I'ma Love Her Till The End of my life  
And I'll keep her heart. I'll keep it next to mine  
If I break her heart, then I'd be breaking mine  
Taking her place, no it ainâ€™t no way no how  
I'ma Love Her Till The End of my life

#### 2ND VERSE

Sometimes I make her sad just to know she cares  
Sometimes she makes me mad. She said "Leave me if  
you dare"  
But she knows I won't go 'cause I'm under her control  
I would never be the same if I went away  
She gives me all she's got and it keeps me here  
To live her life alone - that's her biggest fear  
She makes her mistakes but I love her anyway  
Like a hurricane she blows me away

#### CHORUS

#### BRIDGE

We've got our problems but I'd never take anyone  
before her  
Can't ignore her, I know  
I do things that make her wish she'd never known  
(she'd never known my name)  
But she knows that I don't mean it!

## CHORUS

### ADLIBS

I've got my girl! Yea! Yea!  
Nobody else\_\_\_\_  
Ain't nobody takin' yo place  
No way no how  
Till the end of my life  
Baby I'll keep your heart.  
If I break your heart....ooh yea  
Aint nobody takin' yo place  
No how...I'ma love...till the end

Till the end of my life....I love you.  
Ooohhh....
