My heart is in Japan
You gotta understand...
That Tokyo Love got me wantin' to be yo man

1ST VERSE

Fell in love with a Girl from Yokohama. Beautiful smile
with a Cherry Blossom aroma
She had eyes that would turn a storm into sunshine.
Somethin' like a Diamond in the middle of a coal mine
Oh the time we spent together was incredible. Then She
said She had to leave - it was terrible
She wanted to stay here but She had to go home.
That's why I'm singing this song

CHORUS

See I fell in Love with a Girl from Japan
And I don't know if I'll ever see Her again
And my heart won't survive another day - another
minute without Love
Any other girl, no she just won't do
Travel 'round the world just to be with You
And ain't no feeling that feels like I feel for my
Tokyo Love...my Tokyo Lover

My heart is in Japan
You gotta understand...
That Tokyo Love got me wantin' to be yo man

2ND VERSE

Sent a letter to Japan saying "I miss ya! Can't wait to
see your face and I just can't wait to kiss ya!"
"What you meant to me is what flowers mean to Spring.
Something like a holiday - so much joy You bring!"
But the letter she sent to me, it was terrible. It was hard
for me to read, so unbearable
She said, "You can't come here. You gotta stay home!"
That's why I'm singing this song

CHORUS

BRIDGE

What I found out is we could never be 'cause She could
never be free
She had a family - in fact, She was married. There's no
way that She could up and leave
She was so young when she met him. She never fell in
Love but she let him talk Her into settling down
If it wasn't for the kids, Sheâ€™ d be gone...and I
wouldn't have to sing this song

CHORUS X2

ADLIBS

See I feel in Love....
And I'll probably never see her again
Oh yea...another minute without Love
And ainâ€™ t no other Girl...no other Girl. Nooo...
No feeling that feels....
Love! So many times I...fell in Love
Pretty Girl, take my hand
See You again. My heart...
Ainâ€™ t no other...no other Girl will ever do. No other
Girl will be You
Nooo...feels like I feel
