#### 1ST VERSE

Gotta get away but it won't let me  
Running from love. It's trying to get me  
Jumped over the fence but it jumped behind me  
So I hit the streets, hoping and praying it wouldn't find me  
I walked around thinking I lost it  
Nothing but trouble every time I come across it  
But it tracked me down. I saw it runnin' for me  
Now I'm runnin' again like smoke in the wind but it keep  
on comin' for me

#### CHORUS

Gotta get away...don't wanna be a VICTIM of love today  
Don't wanna be a VICTIM of love...a VICTIM of love  
I'm runnin' from love...I'm runnin'™ for my life and I...  
Gotta get away...don't wanna be a VICTIM of love today  
Don't wanna be a VICTIM of love...a VICTIM of love  
I'm runnin' for my life now and I don't wanna be a  
VICTIM of love

#### 2ND VERSE

I turned the corner. Looked over my shoulder  
No sight of love so I thought it was over  
But I heard a sound as I turned around  
It was right in my face and there was no escape  
IT'S GOT ME NOW! And I'm tryin' to fight it  
No room to run so I gotta survive it  
I'm holdin' on even though it's killin' me  
Now I'm hurtin' again but I gotta pretend that it really  
don't bother me

#### CHORUS

#### BRIDGE

I keep on runnin'...runnin' from love  
But it just keep comin' back for me...for me...for me.  
Whoa...  
I keep on runnin'...runnin' from love  
But it just keep comin' back to me...to me...  
And I can't get away no more!

### 3RD VERSE

Last time love caught me, you wouldn't believe it  
It put a hole in my chest and left my heart in pieces  
But this time I'm ready! When it comes to get me,  
It won't have nothin' to look for. 'Cause my heart is  
already missing  
I locked it up and swallowed the key  
Threw the box in the ocean and watched it sink  
Deep in the water where the sun ain't never shining  
You can search if you wanna but I bet you'll never find it

### CHORUS

#### ADLIBS

Get away!  
A VICTIM of love yea...  
VICTIM of love...VICTIM of love  
I'm runnin' for my life now  
But I can't get away...get away  
I keep gettin' caught by love  
I don't wanna be a part of this shit no mo  
Love, love, love....don't wanna be  
I don't wanna be a VICTIM of love
