It hit me when you said it was over  
That I was still in love with you  
I didn't know that's how you had felt, girl  
But baby I guess now I do

And I don't like this love hangover  
My heart can't take this pain no more  
Someone tell me where did we go wrong  
Oh oh oh

Complicated, complicated  
She got me feeling, I can go on and it's  
Complicated, complicated  
And I don't know what it is that I did wrong  
Complicated, complicated  
Said, she got me feeling, I'm feeling, I'm feeling, I'm  
feeling  
I can go on  
Complicated,  
These thoughts in my head  
can't seem to fade, to fade, to fade

Now, tell me what it is I gotta do  
To get back in those arms of yours  
Cause I can't see myself with someone else  
But you and only you girl, ohhh

Baby, tell me when love game's over  
Cause girl my heart can't take no more  
See right now it is got me so confused, oh oh oh

Complicated, complicated  
She got me feeling, I can go on and it's  
Complicated, complicated  
And I don't know what it is that I did wrong  
Complicated, complicated  
Said, she got me feeling, I can't go on  
Complicated, complicated, complicated  
These thoughts in my head  
can't seem to fade, to fade, to fade

Late at night, fuss and fight  
But in the end we move on with things  
So why can't we just move on now  
What we got could be hot  
But instead we just make it complicated  
So complicated  
Complicated, ca-cated, ca-cated, ca-cated  
Complicated, ooooh and I don't know what I did wrong

Said she got me feeling like I can't go on  
No oh no  
These thoughts in my head  
Can't seem to fade it's own  
Complicated, yeah,  
Sooo complicated, ca-cated, said it's all yeaah  
Feelings I feel for you won't go away now, go away  
These thoughts in my head can't seem to fade, to  
fade, to fade
