Risen from the dark  
I don't recognize where the hell I am  
Flash in front of my eyes  
Running through the rain  
I don't know where

Whisper of insanity  
That whisper in my mind  
Far from reality  
I'm gonna face it or I will die

No place to hide  
Alright  
There is no chance to escape  
from the fuckin' death

Fight  
Silent betrayal  
So lost  
Deep in the maze  
I'm lost in the time warp

My patience "salvation"  
Burns like straw  
Deep silence - I'm falling down and..

Burn inside!!!  
Burn inside!!!

Risen from the dark  
Far from the world  
where I'm catching my last breath  
Fried in my car  
Struggle happens in my deepest mind

Whisper of insanity  
That whisper in my mind  
Far from reality  
I'm gonna face it or I will die

No place to hide

Alright  
There is no chance to escape  
from the fuckin' death

Fight  
Silent betrayal  
So lost  
Deep in the maze  
I'm lost in the time warp

My patience "salvation"  
Burns like straw  
Deep silence - I'm falling down and..

Burn inside!!!  
Burn inside!!!
