It's time to live a vision, fate is daring me to play it's
game
Heart of fury burning in my chest, passion fuels the
flame
Like I've waited forever for now, mad urgency is
driving me
Ideals are my roadmap, adrenaline my gasoline
I reach until I have to leap

Tonight I'm young, tonight I'm free
Tonight I become what I wanna be
Tonight I drink everything I need
To quench the desire of my dreams
Tonight I touch, tonight I love
Tonight I run, tonight I become
Tonight I become, tonight I'm young

Surging and dancing with my friends, we can conquer
the world
Love and all our lust in unison, sea of boys and girls
Bobbing in the waves of music, beat synchronizing our
souls
Truth singing harmony and boldness screaming every
note
I know this'll never get old

Tonight I'm young, tonight I'm free
Tonight I become what I wanna be
Tonight I drink everything I need
To quench the desire of my dreams
Tonight I touch, tonight I love
Tonight I run, tonight I become
Tonight I become, tonight I'm young

Blazing bright future, strong and new alive, stay young
inside
And let my fear disappear into a heart that's open wide
Tonight I open mine, I open my heart wide
Tonight I open mine, tonight, tonight, tonight

Tonight I'm young, tonight I'm free

Tonight I become what I wanna be
Tonight I drink everything I need
To quench the desire of my dreams
Tonight I touch, tonight I love
Tonight I run, tonight I become
Tonight I become, tonight I'm young
